

Paper-Based Switching Service

Switching Request Form

This form is to be used to switch your current account where your existing or new bank does not offer the 7 day Current Account Switch Service

To complete a Paper-based Switch, please print and complete the Paper-based Switching form and return it to Barclays. The form must be completed in block capitals and have all the relevant information about each party on the account and signed.

Any forms that are not complete will be returned to you. The switch cannot commence until the Paper-based Switching form is completed and returned with all relevant information.

What types of accounts can switch using the Paper-based service?

- UK to UK GBP sterling personal current accounts (where your old bank does not offer the 7 day Current Account Switch Service)
- UK to UK personal current Currency Account (same denomination, e.g. Euro to Euro, Dollar to Dollar)
- Provision of support for cross-border switching of personal current accounts (you wish to move to an account within the EU)

In the Paper-based Switch form you should select the relevant account option and complete the corresponding sections for the account option.

What about switching sole or joint accounts?

Paper-based Switch will support an account switch from:

- Sole account to sole account
- Sole account to joint account
- Joint account to joint account

My new bank says I need to update my details with my old bank. Do I? Why?

If the details you provide to your new bank do not match the details held by your old bank then you may be asked to contact your old bank to update the details they hold about you. Examples include if you got married and not changed your maiden name to your married name or if you have moved house and not told your old bank your new address. When you are updating your details at your old bank you do not have to tell them that you will be switching to a new bank.

What will we do as your new bank?

Arrange for the transfer of your Direct Debits and/or standing orders from your old bank/building society. If requested we can also facilitate set up of credit transfers on your new account.

If requested we will arrange the transfer of any credit funds in your old account to your new account and request to close your old account.

Keep you informed throughout the switch and consult you in writing if any problems occur.

How long will it take?

It will take us a minimum of 12 working days to complete your request as we work with your old bank.

If you need support in cross-border switching of personal current accounts (you wish to move to an account in the EU) the date for when you can ask for a balance transfer and/or account closure must be at least six working days in the future.

Can I switch my account on a date that suits me?

Yes, you can choose but the date must be a minimum of 12 working days in the future from the time the form is received by the bank (working days are Monday to Friday excluding bank and public holidays.)

If you need support in cross-border switching of personal current accounts (you wish to move to an account in the EU) the date on which you want us to transfer your balance and if you wish, close your account, must be at least six working days in the future.

How much does it cost?

The Paper-based Switching service is free.

When will my balance be available at Barclays?

If a balance transfer has been requested, this should normally happen between 9.00am and 11.00am on the day the switch completes.

What happens to payments that get sent to my old account, i.e. salary, pension or benefit payments?

If you want these payments transferred over to your Barclays account you will need to complete a Credit Redirection letter (included as part of the Paper-based Switching form) for each recurring payment, these can then be forwarded to your creditors or you can inform the creditors yourself.

This is only applicable for switches in the UK. Some organisations may contact you directly to confirm that your details have changed.

Can I switch my current account if I have a negative balance or I am overdrawn?

Yes, but you will need to make separate arrangements to repay your old bank or building society what you owe. Please note that if this is the case your old bank we will be unable to close your account until such time as the negative balance is cleared.

What we ask you to do

To avoid any charges from your old bank, please ensure you have enough money in your old account until the Paper-based switch is complete.

If you have authorised any companies or organisations to collect regular payments from your debit card, you will need to give them the number of your new Barclays debit card if you wish the payments to be paid from your Barclays account. We can transfer only Direct Debits and standing orders.

Please note: Possible delays to switch

We rely on your old bank and any companies that take Direct Debits from your account to act swiftly.

If they don't, this will delay your transfer. We therefore recommend that you keep an eye on your old bank account after your switch date in case funds are taken from that account instead of your Barclays account.

What if I change my mind?

If you change your mind after requesting a switch with us you can notify us via your local branch or call us on 0345 734 5345*. Outside the UK +44 247 684 2100 (Monday-Sunday, 7am-11 pm) to stop the switch process.

Although if we have started processing your request by setting up payments on your Barclays account and asked your old bank to cancel payments, transfer balance and/or close account it may be too late to cancel the switch request.

Any other questions?

If you have any questions or wish to discuss your switch, please visit your local Barclays branch or call us on 0345 734 5345*. Outside the UK +44 247 684 2100 (Monday-Sunday, 7am-11 pm).

Alternatively if you are switching from Bank of England, Brown Shipley, Citibank NA, ING Bank NV, Secure Trust Bank, Silicon Valley Bank, Turkish Bank (UK) Ltd, EFG, Prepaid Financial Service or RBS you can use the Partial Switch service. For more information please visit your local Barclays branch or call us on 0345 734 5345*. Outside the UK +44 247 684 2100 (Monday-Sunday, 7am-11 pm).
