- Protect what's important to you (e.g. your home, family holidays, dependents), consider Insurance
- If you're looking to buy a home together soon an agreement in principle tells you how much you could borrow, or if you're saving up a Help to Buy: ISA could help
- Make and revise your will and make sure your executor and family know where to find it
- Consider storing copies of your important documents on Barclays Cloud IT
- Plan your pension and retirement
