Savings Accounts

How we pay you interest on your accounts

All banks and building societies, including Barclays, are no longer required to deduct tax from the interest you earn on your account. If you're a UK taxpayer, you will have a tax-free Personal Savings Allowance (PSA) of £1,000/ £500/zero, depending upon your tax status, i.e. basic rate/ higher rate/additional rate respectively. Any interest you earn above your PSA will be subject to tax and it will be your responsibility to ensure any tax due is paid to HM Revenue & Customs. Please note your PSA applies to the total interest you earn from all banks/building societies, not just interest from Barclays, with the exception of ISAs, which continue to be free from UK tax for eligible customers. For information and guidance please refer to HMRC's website

Fixed Rate Bonds

We have a range of fixed rate, fixed term savings accounts and from time to time we also offer limited edition special offer bonds. Details of current offers and interest rates are available in branch, online at **barclays.co.uk/savings** and over the telephone on 0345 7 445 445[†].

A few things you need to know

The information about interest rates contained within this leaflet and on our website, are part of your contract with us. You may wish to read it alongside Terms and conditions for personal customers, the Barclays Savings brochure and the Barclays Account brochure.

Changes to interest rates

Our interest rates are available in our branches, online at **barclays.co.uk/savings** and over the telephone on 0345 7 445 445*. Details of any forthcoming changes to interest rates will also be provided.

When we are changing our interest rates:

- If the rates go up, we may also publish them in the press
- If the rates are going down, we will give you advance personal notice of the change.

If the interest rates on your account track a reference interest rate, such as Bank of England Base Rate, the rates on your account will automatically change with the reference interest rate. This will happen immediately or as set out in the account terms. In these circumstances we won't publish the details of the change in the press or notify you of it.

Making everything as clear as we can

Some of the terms used by banks aren't ones you come across every day. We'd like to make things clearer for you, so here's a guide to those used in this leaflet.

Gross rate – The rate of interest payable without the deduction of tax.

AER – Annual Equivalent Rate – illustrates what the interest rate would be if interest was paid and compounded once each year.

The gross rate can be different from the AER rate because we pay and compound interest monthly (or quarterly) rather than annually.

Tax-free – 'Tax-free' means the interest is free from UK income tax, provided all ISA conditions are met. The level and basis of tax can change and the value of tax relief depends on your personal circumstances.

Reference interest rate – 'Reference interest rate' means a rate that is not set by us and is publicly available so that you can check it independently. An example is the Bank of England Base Rate.

Statement balance – Is the balance of your account at the close of business every day.

Additional services

There is a charge for some of our services, such as where you ask us for another copy of a statement or want to send an international payment from your account. You can find these charges in the 'Barclays Tariff for personal customers – our bank charges explained' leaflet available on **barclays.co.uk** or by asking us in branch or by telephone. We'll also tell you the current charges when you request the service.

Cooling-off

If you are not happy with your account, you have a 14 day period in which to contact us to cancel your account or switch to another account. This period begins on the date your account is opened or the date you receive your terms and conditions and other account information, whichever is the later. If you contact us within this period to cancel or switch your account, we will refund any account fees you may have paid. However, if you cancel or switch your account at a later date, you will not be refunded the account fees that you have paid. If you wish to cancel or switch your account, you should tell us by writing to Barclays Bank UK PLC, Leicester Servicing Centre, Leicester LE87 2BB.

The cooling off period for the Helpful Start Account begins earlier. Please see the Helpful Start Account additional conditions for more information.

Your feedback

We want to hear from you if you feel unhappy with the service you have received from us. Letting us know your concerns gives us the opportunity to put matters right for you and improve our service to all our customers.

You can complain in person at your branch, in writing, by email or by telephone. A leaflet detailing how we deal with complaints is available on request in any of our branches, from the Barclays Information Line on 0800 400 100* or at barclays.co.uk

Alternatively you can write to Barclays, Leicester LE87 2BB.

If we do not resolve your complaint internally to your satisfaction, you may be able to refer it to the Financial Ombudsman Service at Exchange Tower, London E14 9SR (Tel: 0800 023 4567) or **financial-ombudsman.org.uk** The Financial Ombudsman Service is an organisation set up by law to give consumers a free and independent service for resolving disputes with financial firms. Details of those who are eligible complainants can be obtained from the Financial Ombudsman Service.

Information on Financial Services Compensation Scheme

Barclays is covered by the Financial Services Compensation Scheme (FSCS), the UK's statutory deposit guarantee scheme. The FSCS pays compensation to eligible depositors if a bank is unable to meet its financial obligations. Most depositors are covered by the scheme.

As one of our regulators, the Prudential Regulation Authority requires us to give you the FSCS Information Sheet and accompanying Exclusions List to help you understand whether and how your deposits are protected. You should read this enclosed document carefully and then keep it safe for future reference.

Additional information

¹ Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

² General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Barclays Bank UK PLC also trades under Barclays, Barclays Business Banking, Barclays Premier Banking, Barclays Wealth Management and Tesco Bank.

This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as "temporary high balances" are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

(a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;

(b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;

(c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under **www.fscs.org.uk**

³ Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor. However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴ Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within ten working days from 1 January 2021 to 31 December 2023; and within seven working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under **www.fscs.org.uk**

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank, building society or credit union shall also confirm this on the statement of account.
